continuance would deny the reasonable time necessary for effective preparation, taking into account the exercise of due diligence.

c. The government does not object to the continuance.

- d. Based on the above-stated findings, the ends of justice served by continuing the case as requested outweigh the interest of the public and the defendant in a trial within the original date prescribed by the Speedy Trial Act. For the purpose of computing time under the Speedy Trial Act, 18 U.S.C. § 3161, et seq., within which trial must commence, the time period of October 24, 2024, through October 31, 2024, inclusive, is deemed excludable pursuant to 18 U.S.C.§ 3161(h)(7)(A), B(iv) [Local Code T4] because it results from a continuance granted by the Court at defendant's request on the basis of the Court's finding that the ends of justice served by taking such action outweigh the best interest of the public and the defendant in a speedy trial.
- 4. Nothing in this stipulation and order shall preclude a finding that other provisions of the Speedy Trial Act dictate that additional time periods are excludable from the period within which a trial must commence.

IT IS SO STIPULATED.
